

J. Arthur Trudeau Memorial Center

Children's Recreation Program

Dear Parents/Guardians:

The Children's Recreation Program is pleased to announce that we will be offering our scholarship program once again! Earlier this month one of our families made a very generous donation to the program so we could provide this wonderful opportunity.

The scholarship application is available to any family supported by the Home Based Children's Services program, this includes the Children's Recreation Program supports.

The scholarship application may be completed by a representative of the child (parent, guardian, staff, or friend) or the individual themselves. The application includes a short paragraph describing the need and what that child will gain from receiving this scholarship. Please be sure to complete the entire application and include the specific amount requested up to \$100.00. Scholarships are chosen in a lottery fashion. Applicant may not receive scholarship in consecutive years. All funds must be used by the end of 2012. ***Deadline to register is December 1st 2011.***

If you have any questions, please contact Mike Sherman at 739-2700 ext. 284 or Lisa Pellegrino ext. 271.

Sincerely,

The Children's Recreation Program
