TRUDEAU TIGERS

Dear Athletes & Families,

This year's Special Olympic week-end will take place @ URI **June 3, 4 & 5 2011!!!!**

Please review the following forms and return them to the Recreation Department by **March 6th**. This will assist us in meeting our deadlines given by Special Olympics RI. The completion of this form will sign athletes up for those events they will be doing at URI. Without a registration form the athlete will not get into their events.

Our delegation keeps growing and with that our need for volunteers increases. For those athletes who receive funding for Respite, Family Support, or participate in Self-Directed Services, we ask that you consider using support staff to assist your athlete. We have athletes who don't receive any additional services and so our volunteers are a huge support for those families. This would also create an enhanced ratio of athletes to chaperones. This is not required but is recommended and greatly appreciated.

Look for more information on the Special Olympics State Games at www.trudeaucenter.org

Also please mark your calendar with the following dates:

April 10th: Power lifting Trials - Trudeau Center
